# The force that brings you **PEACE OF MIND**

## INNOVATION THAT DRIVES TRUE VALUE

**The time of true safety and profitability is here. Normet Xrock breaker boom automation system optimizes the mine's processes in a responsible way and gives you the time to focus on anticipating and developing your business.**

The mining industry is under revolution. Driven by safety and economic incentives, demand for increased automation and more intelligent systems is ever growing. Xrock helps you get the best possible value from your business in a responsible way, and it gives you something that's crucial for creating true value – peace of mind.

## Peace of mind FOR OWNERS

Xrock helps you optimize operations to the maximum level. The risk of error is reduced, and you can trust that the working environment is safe and productive. When everything works at the optimal level, not only are idle and downtime minimized, but also the capacity to efficiently schedule work, anticipate the future, and proactively work towards developing your business grows.

- ⊗ Easy installation and full scalability
- ⊗ Truly safe working environments
- ⊗ Minimize idle and downtime
- ⊗ Increase availability

## Peace of mind FOR BUSINESSES OF ALL SIZES

Why complicate things? We make purchasing Xrock "one step less" for you, so you can focus on your business. All Xrock Platforms are made flexible and scalable to the mine's current and future demands. As your business grows and develops, we'll deliver you readily available solutions straight from the shelf.

- ⊗ Fully scalable to mine's comms network
- ⊗ Fast delivery → no idle time
- ⊗ One step less in purchasing

## Peace of mind FOR OPERATIONS

Xrock lets operators control everything ergonomically from the safety of a control room. The Xrock system itself is specifically designed to be user-friendly: it's easy to learn and intuitive to use, so users will quickly get acquainted with productive work. Boom operation, management and diagnostics are available straight from the control station.

- ⊗ Easy to install, learn and use
- ⊗ Naturally accessible controls
- ⊗ Maximum workday efficiency
- ⊗ Ergonomic and comfortable
